

OREGON AVENUE RECONSTRUCTION PROJECT

Dear District Resident,

The Oregon Avenue Reconstruction Project will conduct final asphalt paving on Phase 3, from Oregon Knolls Drive NW and Beech Street NW, and a temporary road closure will be enforced to insure safe working conditions in and around the work zone. Construction is anticipated to start **Monday May 16, 2022** with an anticipated completion by Wednesday May 18, 2022, weather dependent.

Residents: Although the roadway may be blocked to thru traffic at times, access to your driveway will be maintained. If you are restricted from leaving or returning to your driveway, please notify the nearest flagger, who will coordinate safe access.

Our goal is to keep you abreast of traffic modifications and milestones while providing open communication with the construction outreach team. Please feel free to visit the website at www.oregonavenueproject.com for the most recent project updates or email us at info@oregonavenueproject.com.
