

OREGON AVENUE RECONSTRUCTION PROJECT

Dear District Resident,

Beginning Tuesday, November 29, 2022, weather permitting, minor construction activities will resume along the project corridor at the Pinehurst Branch Creek Bridge. There will be a single lane closure with flaggers on site to safely guide motorists across the bridge, and the roadway will be fully opened at the end of each day. Construction hours will be 7am to 5pm daily with an anticipated completion of three weeks, weather permitting. Construction activities include:

- Pinehurst Branch Creek Bridge and retaining wall modifications
- District of Columbia Power Line Undergrounding (DC PLUG) work
- Removal of project office trailer located at Nebraska Avenue NW

Please Note: A flagger will be on-site to safely guide traffic through the construction zone.

Exact Location: Phase 3A construction activities will take place between Beech Street and Jones Way (private driveway), on the Pinehurst Branch Creek Bridge.

Our goal is to keep you abreast of traffic modifications and milestones while providing open communication with the construction outreach team. Please feel free to visit the website at www.oregonavenueproject.com for the most recent project updates or email us at info@oregonavenueproject.com
