

OREGON AVENUE RECONSTRUCTION PROJECT

Dear District Resident,

The Oregon Avenue Reconstruction Project team would like to make you aware that there is a water main break on the construction site at the below location:

- **At and in close proximity to 5860 Oregon Avenue**

We are currently working on the repair but as a result you may experience water service interruptions at and/or near the above location.

We apologize for any inconvenience and thank you for your continued patience as we complete this critical portion of work.

Traffic controls and signage will be in place to safely guide all motorists through the work zone. Motorists are urged to use caution as they travel in these areas, to anticipate moderate delays and to be mindful of pedestrians and construction personnel.

Our goal is to keep you abreast of traffic modifications and milestones while providing open communication with the construction outreach team.
