

OREGON AVENUE RECONSTRUCTION PROJECT

Dear District Resident,

We are quickly approaching the end of Phase 2 of the Oregon Avenue Reconstruction Project and in the next few days you will see a variety of changes that may impact you or require some parking adjustments.

Thursday April 22, 2021 (weather permitting): The contractor will be installing the asphalt surface on Phase 2 between Military Road and Mooreland Place NW. One (1) lane of traffic from Military Rd. to St. Johns CHS will be maintained to facilitate ingress to and egress from the campus. Oregon Avenue between St. Johns CHS and Moreland Place will be closed to traffic during the paving process. All driveways on Oregon Avenue will be closed during the day while paving and will be re-opened in the evening. Residents on Oregon Avenue and Moreland Place NW are advised to park on Horse Stable Road on Tuesday evening in anticipation of this roadway work. Access from Mooreland PI NW to Military Rd will be open to traffic the following day.

Friday April 23, 2021 (weather permitting): The contractor will be paving Oregon Ave NW between Moreland PI NW and Rittenhouse St NW. Northbound traffic will be re-routed to use the 27th St. NW detour. Residents between Moreland PI NW and Rittenhouse St NW are advised to park on the side streets. All driveways will be closed during the day while paving and will be re-opened in the evening. Access from Mooreland PI NW to Rittenhouse St NW will be open to traffic the following day.

Please note that driveway access will be limited and residents are advised to park on the side streets. Please notify a member of the crew should you need to use your driveway and they will arrange access. Flaggers will be assigned to direct traffic and facilitate the detours. Please plan accordingly and be mindful of construction workers along the project corridor.

It is our goal to keep you abreast of traffic modifications and milestones while providing open communication with the construction outreach team. Please feel free to visit the website at www.oregonavenueproject.com for the most recent project updates or email us at info@oregonavenueproject.com.

Regards,

The Oregon Avenue Reconstruction Project Communications Team
